## 11. CLASSIFIERS

Three classifiers will be appointed by ITTF PTT .

## 12. CLASSIFICATION

All new players with Physical Impairment participating in the Fa40 events must be already classified. In this event, there will be reevaluation for classes 1 to 10. **There won't be classifications for class 11.**

National Association must read the new classification procedure at :

<http://www.ipttc.org/classification/documents.htm>

One of the most important changes is that there is no automatic re-evaluation request from players. In the past, any player who asked for re-evaluation was accepted to be reviewed. Now, there are 2 possibilities for this to happen

- If the athlete's impairment has dramatically changed due to a progressive health condition or an accident, National Association (NA) should think about requesting a Medical Review.
- If the athlete's impairment hasn't dramatically changed and their opinion is that his or her class was always wrong, then, according to rule 23.1.2, your National Association should make a **documented request to ITTF-PTT**. Please, be aware that the assessment of the validity of the request is at the sole discretion of ITTF-PTT.

Players who have been previously admitted for reevaluation must be present by November 13<sup>th</sup> at 10:00.

All players should bring with them their medical diagnosis and any other medical information relevant to their classification. They should report to classification with these documents, dressed as if they are going to play a match and with all their table tennis equipment including sports chairs. All players and support staff are expected to cooperate fully in the classification process.

### **12.1 Requirements for classification**

ITTF-PTT classification rules state that Athlete Evaluation will take place during international competitions. All athletes to be classified or reevaluated in 2018 need to fill in the following documents:

- [Consent Form](#) (to be read and signed by Athlete. If the Athlete is under 18 or has an Intellectual Impairment, an additional signature by coach or guardian is required)
- [Medical Diagnostics Form](#) (to be filled, dated and signed by a certified health professional)

These are the steps to be followed by a NA (National Association) so that an athlete will be included in the list of athletes to be classified in a tournament.

1. Once the NA has sent the first entry for a player in an international tournament, scanned copies of both documents mentioned above have to be sent to [classification@ittf.com](mailto:classification@ittf.com) (no later than one month before the beginning of the competition).
2. Athlete will give the original signed documents to the chief classifier at the beginning of the Athlete Evaluation process that takes place 2 or 3 days before the beginning of the competition.
3. If the Athlete has any additional medical documents available that could help classifiers to understand better the nature of the impairments, he or she will show that medical information to classification panel during the Athlete Evaluation process.

The needed forms and complete information about classification can be found at <http://www.ipttc.org/classification/documents.htm>

### **13. PARTICIPATION QUOTAS**

A player may only play in the class indicated on his or her international classification card unless, due to the low number of players, his or her class is combined with the next class or classes. Then he/she may play in the next higher class event.

The minimum entry for a singles class to be played is 4 players.

For a Fa40 events, the maximum number of entries per association per class is 4 but the host association may enter up to 6 players.

The minimum entry for a team event to be played is 4 teams with 2, 3 or 4 players forming a team.

In Fa40 events, each Association including the host country may enter a maximum of 2 teams per class.

Players from different countries may form a team in the team event in Fa40 competitions, but if there are 3 players in the same event from the same Association, only the 3<sup>rd</sup> lowest ranked player may form a team with a player from another Association.

All other persons wishing to accompany a team (i.e. who are not members of the team) are subject to special charges and should contact the organizers for further information. These packages are limited and subject to availability of places in the official hotels. Priority will be given to the Official Party of all the delegations.
