The latest applicable ITTF Covid-19 Updates are available [here](#).

ITTF has lifted the ITTF COVID-19 Protocols, however, participants are still required to follow personal hygiene measures and inform the LOC and ITTF Competition Manager if COVID-19 symptoms appear to undertake testing as determined/required by local authorities. Health screening and testing may still be implemented and required throughout any Event.

In the event of a positive case, participants shall follow applicable local authority regulations, further testing, and isolation as required. Any associated costs for positive case management (including but not limited to accommodation, transportation, meals, and testing) will remain the responsibility of the person testing positive, therefore appropriate medical insurance coverage is strongly recommended.

ART and PCR testing costs can be requested directly through the LOCs if and when required.
